

Labeling Requirement for Cosmetics to Be Re-packaged or Sub-packaged After  
Importation (Draft)

*This Draft has been translated into English according to the original Chinese version. If there is any inconsistency or ambiguity between these two versions, the Chinese version shall prevail.*

---

For imported cosmetic products that are re-packaged or sub-packaged domestically, the packaging or containers shall be labelled “re-packaged in Taiwan” or “sub-packaged in Taiwan” or equivalent phrases.
