

Draft Labeling Regulations on Country of Origin Packaged Products that Contain Pork and Other Edible Parts of Pig

Article 1

This regulation is established under the provision of Subparagraph 10 of Paragraph 1 of Article 22 of the Act Governing Food Safety and Sanitation.

Article 2

Packaged products that contain pork and other edible parts of pig shall clearly indicate their Country (place) of origin in Chinese.

Pork and other edible parts of pig do not include pork fat.

Article 3

The country (place) of origin of pork and other edible parts of pig shall be the country (place) where the pig are slaughtered.
