

Amendment to Article 5 of the Regulations on Bulk Food Labeling

Article 5

Food business operators sell the Bulk Food products that contain beef, [pork](#) and other edible parts of cattle and [pig](#) shall label the beef, pork and edible parts of cattle and [pig](#) of raw material of the country. The country of origin of beef, [pork](#) and other edible parts of cattle and [pig](#) shall be the country where the cattles and [pigs](#) are slaughtered.

The beef, pork and edible parts of cattle and pig mentioned in the above paragraph do not include milk, [fat of cattle](#).

The [fat of pig](#) shall label the country of origin, but not including products made of such fat.
