**PROPOSED AMENDMENTS TO ARTICLE 6  
SHORT-FORM WARNINGS**

On January 8, 2021, the Office of Environmental Health Hazard Assessment (OEHHA) proposed amendments to certain sections of the regulations for safe harbor warnings. Specifically, the proposed amendments would modify the content and methods for providing short-form warnings.<sup>1</sup> The Notice of Proposed Rulemaking for the proposed amendments was published in the California Regulatory Notice Register on January 8, 2021 (Z-2020-1229-01), and initiated a 60-day public comment period. OEHHA has received a request from The Gorilla Glue Company to hold a public hearing on the proposed amendments.

OEHHA has scheduled a public hearing on March 11, 2021, at 10:00 a.m. In accordance with Governor Newsom's Executive Orders N-29-20 and N-33-20 as well as recommendations from the California Department of Public Health, the hearing will not have a physical location. The hearing will be conducted remotely. Information concerning how to participate in the hearing will be posted on our website prior to the hearing. The public comment period for this regulatory action is being extended to March 29, 2021, to accommodate the hearing.

File # 2021-0127-01  
Comprehensive Risk Assessments

This emergency rulemaking action by the Board of Parole Hearings (Board) amends section 2240 of title 15 of the California Code of Regulations (CCR) to excuse the Board from the requirement to prepare a Comprehensive Risk Assessment (CRA) prior to initial or subsequent parole consideration hearings or subsequent parole reconsideration hearings scheduled to occur between April 1, 2021 and June 30, 2022 (or which were previously scheduled to occur between April 1, 2021 and June 30, 2022, but were postponed or

rescheduled to occur after June 30, 2022). The exception to the requirement to prepare CRAs as described above applies to inmates designated as Security Level IV as of January 1, 2021, and who received two or more serious Rules Violation Reports, as specified by section 3315(a) of title 15 of the CCR, for which the Department of Corrections and Rehabilitation found the inmate guilty at a disciplinary hearing between January 1, 2018 and January 1, 2021. The action also adopts related provisions concerning notice to affected inmates and the ability of, and process for, inmates to challenge the Board's determination or to obtain a CRA for other reasons.
