

**Notification of the Committee on Labels**  
**Re: Determination of Personal Computer and Computer Device**  
**as Label-Controlled Products**

At present, the personal computer becomes very important in the activities of daily life. Office of the Consumer Protection Board has received complaints related to such products from numerous consumers. For example, the canceling production of spare parts and computer assembly parts, or the absence of a repair service center. Therefore, in order to the consumer to acknowledge information for decision-making to purchase the products, and to protect consumer rights, it is appropriated to determine personal computer and computer device as label-controlled products.

By virtue of section 30 and 31 of the Consumer Protection Act, B.E. 2522 (1979), as amended by the Consumer Protection Act (No. 2), B.E. 2541 (1998), the Committee on Labels hereby issues the Notification as follows:
